

Megaxus Launches Fatal Raid: SEA Invasion in Indonesia, Singapore, Malaysia, and Philippines

29 Jan 2019—Southeast Asia games publishing and development company, **PT Megaxus Infotech (Megaxus)** launched a new mobile game titled **“Fatal Raid: SEA Invasion”**. The First-Person Shooter (FPS) game is now available for 4 countries in Southeast Asia: Indonesia, Singapore, Malaysia and Philippines.

“The Southeast Asia gamers love to compete against each other while having fun. Fatal Raid: SEA Invasion provides fast-paced gameplay with various PVP competition. We are confident gamers will love Fatal Raid: SEA Invasion”, said Bambang Budiman, Senior Content Manager of PT Megaxus Infotech. “With its competitive gameplay, Fatal Raid: SEA Invasion can attract many e-Sport followers and competitors in Southeast Asia.” he continued.

The game was featured in Google Play Pre-registration page from 18 January 2019 to 25 January 2019. After the official launch, players can enjoy many special promotions and special events in the game. Fatal Raid: SEA Invasion provides various game modes such as Story Mode, Challenge Modes (Charge Mode, Defense Mode, Raid Mode, Coliseum), PVP Modes (Practice, Team Deathmatch, Bombing, 1 vs 1, Handgun/Sniper Match, Survival, Ranked PVP). The game is also packed of features such as weapons and armors collection and upgrade, characters upgrade, Clan, and many more.

In Fatal Raid:SEA Invasion, gamers can choose from a massive selection of weapons, each with their own power and speciality, which gives more dynamics to the gameplay. The game also offers selection of difficulty levels, which enable the game to be enjoyed by novice gamers, as well as by more experienced gamers. Despite the high quality graphic that the game offers, it doesn’t require high spec devices to play the game. The minimum device specification for Android OS device: 1.5 GB RAM, ARM7 CPU, Android 4.0 OS, 2 GB free space; And for IOS device: iPhone 5 and above.

“We hope that Fatal Raid: SEA Invasion can give a new FPS experience for gamers in Southeast Asia . We will continue to provide best content and services for our loyal users.”, closed Bambang.
